# CELEBRATING 35 YEARS of ROVOS RAIL

SINCE 1989

Bespoke train safaris through the heart of Africa combine magnificent scenery with the glamour and excitement of the golden age of leisure travel. In a series of journeys lasting from 48 hours to 15 nights, Rovos Rail links some of the subcontinent's greatest destinations with a variety of off-train excursions. The beautifully rebuilt wood-panelled trains, which may be hauled by diesel or electric locomotives, each carry a maximum of 72 passengers in 36 superbly appointed suites and are also available for charter, while the Events Train caters for up to 250 guests and is suitable for daytime journeys.

# PUREist

AN EXPERIENTIAL  
MAVERICK WITH THE  
POWER TO CHANGE WORLDS

# These Are My People

15 years is an incredibly long time in our industry. But one thing's stayed the same — our mavericks still have a home. As individuals, you're extraordinary. Together, you Change Worlds.

When we set up This is Beyond in 2009, we had a clear mission in our hearts and minds: To give pioneers in niche travel markets the community they deserve. PURE, our first show, was the absolute essence of our values. Immersive, inspiring and free-spirited. Somewhere for one-of-a-kind minds to collaborate, so we can help travel become a force for good.

A decade and a half later, these values remain PURE's core. In fact, they've only gotten stronger and more profound. Which is why this year, we're asking you to remember, "These are my people." Because in The Movement, a handshake and conversation often lead to more than simply great business. They forge deep, lifelong connections. Partners become friends. Friends become inseparable. It's been so rewarding to see your connections and destinations reach their full potential.

Last year reminded us how much our community can rally around a vital cause. As many of you know, Morocco's 2023 earthquake was extremely destructive. But you answered the call for support

and your contributions and coordination made a huge difference to the relief effort. This year's Community Project Hike is our way of helping you see firsthand the impact you've all had in the Atlas Mountains. Thank you, again, for channelling success so selflessly.

So, PURE 2024 celebrates you. How? By spreading a homecoming theme across our Marketplace and the whole PURE programme. We'll also be hosting our first Awards Ceremony since 2019, where your people's milestone projects share the spotlight. Then, our Closing Party will take you into a magical oasis — the culmination of your ideas in bloom. It'll be our best party ever. Have you packed something floral? That's all you need.

From then to now, you've always been Change-Makers. And we've always been home. We'll see you on the showfloor.

PURE LIFE EXPERIENCES

# Welcome to the Kingdom of Light!

**Marrakech and Morocco are once again proud and honoured to be the perfect setting for PURE Life Experiences, the world's leading trade show for the premium experiential travel community.**

More than a meeting place, PURE is an iconic event that brings over a thousand like-minded people together to build relationships and find new ways to Change Worlds, for travellers and local communities.

With its rich cultural heritage, spectacular surroundings, ornate architecture, warm hospitality and delicious cuisine, Marrakech is the perfect setting for an international gathering of this magnitude. Its unique blend of traditional and modern lifestyles, authentic souks and medinas and luxury hotels and venues, as well as its long-term commitment to sustainability, are all strong assets that define the destination, and make it a perfect match for the ethos that PURE stands for.

During this fantastic event, we would like to introduce you to the many wonders the Red City has to offer and give you an exclusive insight into its dynamic, trendy art and fashion scenes, as well as the many tourist attractions that have recently been developed.

We would also like to invite you to discover and appreciate the unique light that characterises our country: renowned for its singularity, it is a true source of inspiration for poets, artists, intellectuals and sophisticated travellers. This wonderful light is also at the heart of our new international communication platform "Morocco - Kingdom of Light".

The campaign highlights the great natural diversity of the country, as well as its living and authentic culture, carried by all Moroccans: much more than a country to visit, it is a country that is lived, through its arts, its crafts, its colours and the vibrant passion of its people.

I would like to take this opportunity to thank you for your trust and welcome you to Morocco and Marrakech. I sincerely hope that this year's event will bring new experiences and excellent business opportunities for all.

# PURE in Marrakech

**Marrakech, the land of joy.  
Marrakech, the land of celebrations.**

Since its inception in 2009, PURE Life Experiences has become the must-attend event for the experiential travel industry, and the city of Marrakech eagerly anticipates hosting this groundbreaking event once again. We extend our heartfelt congratulations to the organizers of PURE and wish them every success.

Throughout the history of PURE, Marrakech has gained worldwide recognition for its unique experiential offerings. From its rich heritage in design, art, authenticity, and culture, to its delectable Moroccan and international cuisine, Marrakech provides an unparalleled experience. Nestled amidst the desert, the city is adorned with magnificent hidden Riads and surrounded by the breathtaking snow-capped Atlas Mountains, offering nature's unforgettable adventure. Additionally, the coastal city of

Essaouira, famous for the Gnaoua World Music Festival, attracts thousands of world music enthusiasts every summer.

Marrakech's diverse cultural influences make it a captivating destination for the modern traveler. This enchanting city is now well-connected to major global hubs such as London, New York, Paris, Berlin, Vienna, Dubai, Moscow, São Paulo, Doha, and Milan, either through direct flights or via Casablanca. Undoubtedly, Marrakech has emerged as a city of luxury and experiential travel.

Welcome, PUREists, and enjoy your stay in Marrakech!

## RECOGNISE ME?

I'm upcycled  
from 2022's  
signage!

As a PUREist, you know that sustainability never really has a finish line. It keeps moving and changing. We're no exception.

We've partnered with PromPeru and the not-for-profit organisation, GreenBee Event Upcycling, to reuse all of our sign materials from PURE 2022. How? By working with local Moroccans to turn them into small, chic cardholders.

They're little pieces of magic design, made with banners from the Palais de Congrès that now hold your link to The List. Which also means we don't have to print it for every maverick! One more green light to Change Worlds, together.

Zephalto redefines space travel standards through environmental commitments and a once-in-a-lifetime experience. They offer low-carbon journeys in a stratospheric balloon, reaching 25 km above Earth. During this six-hour flight, they raise awareness among our six exclusive guests, allowing them to observe the curvature of the Earth and experience the 'overview effect' aboard Céleste, Zephalto's pressurised capsule.
